

PRESCRIPTION DRUG COST SURVEY

For Westchester County Residents

The Department of Senior Programs and Services and the Westchester Public/Private Partnership for Aging Services is interested in knowing whether the cost of prescription drugs for older adults impacts your quality of life.

Please take time to complete the survey below if you are age 65 or older. This survey should take no more than 15 minutes to complete. All responses will be anonymous.

Please help us gain further insight into the impact of prescription drug cost on older Westchester residents and their family members. This will also help us identify the best advocacy approaches to respond to your needs and concerns.

Online Completion also available
